The Team at Office Express

WHY OFFICE EXPRESS?

So much more than paper, paper clips and printing supplies...

COMPETITIVE PRICING - Our competitors would have you think that paper, paperclips, and printer supplies are made of gold. Pricing for office products goes beyond just the cost of these few items. Office Express offers fair, honest pricing across the board- not just on a few items designed to lead you into trying us.

PRICE GUARANTEE - Office Express meets or beats any published office product price from any local office products competitor.

TIME IS MONEY - At Office Express you can purchase your supplies, printing, and furniture with just one phone call. One vendor resource=administrative cost savings your purchasing manager will love!

FAST DELIVERY - Our orders ship the next day, without a shipping charge and without a minimum order requirement.

LOCALLY OWNED - In these days where bigger seems better we ask...is it? We employ people who have lived in the Detroit area for almost all of their lives. We contribute to Detroit area causes and charities.

PRINTING NOT COPYING - Printed products are higher quality products. Office Express has a fully equipped in-house printing and graphics department. Black and white, or full color, we have a press that will fit your job.
